

# The value of estate planning can be best measured by the quality of the people doing the work.

Which is why you're in very good hands with the newest member of the Ellis Lawhorne Trusts and Estates Practice Group, Jennifer MacLeod.

Jennifer earned her Bachelor's of Science in Business Administration from the University of South Carolina Honors College, cum laude, in 2002.

She earned her Juris Doctor degree from the University of South Carolina School of Law in 2005, and an LL.M. in Taxation with a Certificate in Estate Planning, with distinction, in 2008 from Georgetown University Law Center.

At Ellis Lawhorne, Jennifer is focusing her practice on estate planning, working with her clients and their financial advisors in developing and implementing estate plans that address the individual needs of the clients and their family and business interests.
