

ELLIS LAWHORNE

Guest Parking and Elevator Guide

St. Peter's Catholic Church

Parking Instructions for Ellis, Lawhorne and Sims, P.A.:

Our street address is 1501 Main Street – The Carolina First Building, 5th Floor. It is a relatively new building, beige in color, and is bordered by Hampton Street and Assembly Street. Metered parking spaces are available on Main, Hampton and Assembly.

We also have three (3) free parking spaces available to clients. The spaces are located in a small lot off of Assembly Street. They are numbered 19, 20, and 21 and are marked with the Ellis Lawhorne logo. To get to our lot, travel on Assembly Street toward Elmwood Avenue. Pass the Carolina First building on your right. Just past the building, on the right, is a small parking lot (immediately past the red fire hydrant). A pedway can be seen about the lot, connecting to a private parking garage to the building. *Do not park in the lot directly behind the Carolina First building, as it is for bank customers only. A token is required to exit.*
